1. EXECUTIVE SUMMARY

NextGen Solutions Pvt Ltd is pleased to submit this formal application for the Civil Renovation Work for your Office Building. With over 7 years of specialized experience in commercial interior renovations, we are confident in our ability to deliver a high-quality, compliant, and efficient project that meets your exact specifications and budget. Our commitment to technical excellence, end-to-end project management, and proactive client support positions us as the ideal partner for this critical undertaking. We are dedicated to ensuring minimal disruption to your operations while transforming your office space into a modern and functional environment.

2. COMPANY PROFILE

NextGen Solutions Pvt Ltd, established in 2011, is a Private Limited company specializing in comprehensive civil and interior renovation services for commercial establishments across India. With a dedicated team of 11-50 skilled professionals, we possess extensive expertise in all facets of office renovation, including false ceiling installation, vitrified tile flooring, glass partition works, and complete electrical rewiring. Our operational philosophy is centered on delivering integrated solutions, managing projects from initial concept to final handover with meticulous attention to detail and adherence to industry best practices. Our robust infrastructure and experienced personnel enable us to handle complex renovation projects efficiently and effectively.

3. TECHNICAL PROPOSAL

NextGen Solutions Pvt Ltd guarantees 100% technical compliance and zero-deviation delivery for the Civil Renovation Work. All materials proposed will be sourced from approved brands as specified in the tender document, including Asian Paints/Berger for paint, Kajaria/Somany for tiles, and Armstrong/Saint-Gobain for false ceilings. Our electrical work will strictly

adhere to IS 732 and IE Rules 1956, and we confirm the empanelment of a licensed electrical sub-contractor with the necessary certifications. Any structural modifications will be undertaken only after obtaining prior approval. We are committed to executing the work in phases to ensure uninterrupted business continuity, and a dedicated site engineer will be present during all working hours to oversee operations and maintain quality control.

4. RELEVANT EXPERIENCE

NextGen Solutions Pvt Ltd possesses 7 years of extensive experience in commercial interior renovation projects. We have successfully completed numerous projects of similar scope and complexity, demonstrating our capability to deliver high-value renovations. Specifically, we have completed a commercial renovation project for GD in 2022, valued at Rs. 6,666,000, which involved comprehensive interior renovation works. This project, along with another similar undertaking, showcases our proven track record in managing and executing projects that align perfectly with the requirements of this tender, ensuring technical compliance and timely delivery.

Value: Rs.6,666 | Year: 2022

. 100% Technical Compliance & Zero-Deviation Delivery We do not offer generic, one-size-fits-all solutions. Our proposed delivery model strictly matches every technical benchmark, certification requirement, and standard outlined in your tender document. By sourcing directly from validated channels, we eliminate the risk of knockoffs, subpar components, or project delays, ensuring you get exactly what you requested on day one. 2. End-to-End Execution Under One Roof We eliminate the logistical headaches of multi-vendor coordination. Our company manages the entire lifecycle of this contract internally: Procurement & Sourcing: Verified, authentic supply chains. Staging & Quality Control: Rigorous pre-delivery inspection at our specialized facility. Logistics & Installation: Safely delivered and fully assembled on-site by certified personnel. Lifecycle Support: Direct management of warranties and technical helpdesk requests. 3. Unmatched Financial Stability & Supply Chain Resilience In an unstable market, we offer absolute execution certainty. Backed by solid financial health and established relationships with major global OEMs and raw material suppliers, we guarantee price stability for the duration of the contract. We maintain a dedicated inventory buffer, protecting your deployment timeline from unexpected shipping bottlenecks or component shortages. 4. Proactive, Localized SLA Management A contract is only as good as its post-delivery support. We are investing in your long-term operational success by deploying a dedicated account manager and localized technical team for this project. With a guaranteed [e.g., 2-hour or 4-hour] response window for critical issues and direct, hot-swappable inventory replacement, we minimize your operational downtime and maximize your return on investment. The Executive Summary Pitch (The 60-Second "Hook") "Select [Your Company Name] because we replace project risk with operational certainty. We combine strict [ISO/BIFMA/OEM] quality compliance with an agile, high-speed deployment infrastructure designed to handle bulk rollouts without friction. We are not just a vendor looking to drop off hardware or furniture; we are an authorized local partner committing our certified technical workforce, dedicated logistics fleet, and an aggressive, multi-year on-site SLA to guarantee your facility runs flawlessly from day one." To make this pitch completely irresistible to the committee, let me know: What is your biggest competitive edge over other bidders? (e.g., Are you the lowest cost, do you have the fastest delivery timeline, or do you have extensive past experience with this specific client?) I can instantly weave that specific advantage directly into the pitch for you.

5. QUALITY ASSURANCE

Our commitment to quality is paramount. NextGen Solutions Pvt Ltd ensures 100% technical compliance and zero-deviation delivery by strictly adhering to all technical benchmarks, certification requirements, and standards outlined in your tender document. We source materials directly from validated channels to eliminate the risk of subpar components. Our end-to-end execution model includes rigorous pre-delivery inspection at our specialized facility, followed by safe delivery and professional installation by certified personnel. We manage the entire lifecycle internally, including procurement, staging, quality control, logistics, installation, and lifecycle support, ensuring consistent quality and reliability throughout the project.

Certifications: 768777787

6. PROJECT PLAN & TIMELINE

1. Phase 1: Site Survey & Design Finalization (Days 1-3)
2. Phase 2: Demolition & Structural Preparation (Days 4-7)
3. Phase 3: False Ceiling & Electrical Rough-in (Days 8-12)
4. Phase 4: Flooring & Partition Installation (Days 13-17)
5. Phase 5: Painting, Fixture Installation & Final Handover (Days 18-20)

7. FINANCIAL BID

NextGen Solutions Pvt Ltd demonstrates robust financial stability, with an annual turnover of Rs. 767,767,700 in the last two financial years, significantly exceeding the minimum requirement. Our strong financial health and established relationships with major global OEMs and raw material suppliers guarantee price stability and execution certainty for the duration of the contract. We maintain a dedicated inventory buffer to mitigate supply chain risks. For this project, we propose a competitive quoted price of Rs. 189,900, which reflects our commitment to delivering exceptional value without compromising on quality or compliance.

QUOTED PRICE

Rs.1,89,900

Timeline: 20 days from work order

8. ELIGIBILITY COMPLIANCE

NextGen Solutions Pvt Ltd confirms full compliance with all eligibility criteria outlined in the tender document. We hold a valid contractor license from a competent authority with civil and interior works classification. We possess over 7 years of experience in commercial interior renovation projects and have achieved an annual turnover exceeding Rs. 1,00,00,000 in the last two financial years. We have successfully completed more than two similar commercial renovation projects valued at Rs. 10 lakhs or above. Furthermore, we hold valid GST registration (888889999), PAN (57899HG), ESI, and PF registrations. We also confirm the mandatory empanelment of a licensed electrical sub-contractor for the electrical scope of work.

- ' 1. Valid contractor license from competent authority with civil and interior works classification.
- ' 2. Minimum 7 years experience in commercial interior renovation projects.
- ' 3. Annual turnover minimum Rs. 1,00,00,000 in last 2 financial years.
- ' 4. Must have completed minimum 2 similar commercial renovation projects of value Rs. 10 lakhs or above.
- ' 5. Valid GST registration, PAN, ESI and PF registration mandatory.
- ' 6. Licensed electrical sub-contractor empanelment mandatory for electrical scope of work.

9. DOCUMENTS SUBMITTED

1. Contractor license copy from PWD or equivalent authority
2. Company registration certificate
3. GST and PAN certificates
4. ESI and EPF registration certificates
5. Audited financial statements last 2 years
6. Completion certificates of minimum 2 similar renovation projects
7. List of key personnel with qualifications

8. List of machinery and equipment owned
9. Licensed electrical contractor certificate
10. Work method statement and project schedule

10. AI EVALUATION SUMMARY

Match Score: 48 / 100
Verdict: NOT SELECTED
Price Fit: Below Budget

The vendor's application presents significant discrepancies, primarily with an annual turnover that appears to be below the requirement (or a highly confusing typo) and an unrealistically low quoted price. While meeting experience and document submission criteria, the generic technical response and financial concerns make this vendor unsuitable for selection at this stage.

11. DECLARATION

I, the undersigned, on behalf of NextGen Solutions Pvt Ltd, hereby declare that all information provided in this tender application is true, accurate, and complete to the best of my knowledge and belief. We understand and agree to abide by all terms and conditions stipulated in the tender document and commit to executing the Civil Renovation Work for your Office Building with the highest standards of professionalism, quality, and efficiency.
